

MAKING ROOM SO ALL CAN GROW

ACCESSIBLE

SPACES

The second part of our goals for 2026 is improving the accessibility of our spaces.

Our Sanctuary has very little seating available for those with mobility issues, and the few wheelchair spaces we have cannot easily access the center aisle. It makes it hard if not impossible for those to fully participate in sharing the peace or going up for communion. We want to expand our accessibility to give more opportunities for all.

INCLUDING EVERYONE

Another way we can make room for everyone is to move our library downstairs to a more accessible location (probably a corner of the North Narthex). This will make it easier for anyone to browse our shelves without going up the stairs (after finding them) or the elevator.

MT ZION'S CORE VALUES

Faith: We root everything we do in the Gospel of Christ.

Community: We care for, and celebrate with, each other.

Hospitality: We strive to make everyone feel fully included.

Justice: We advocate for more just systems

FOR YOUR CONSIDERATION

Making our space more accessible corresponds to the inclusivity of Christ's love. We want our space to convey the message, "You belong here."

these I will bring to my holy mountain and make them joyful in my house of prayer; their burnt offerings and their sacrifices will be accepted on my altar, for my house shall be called a house of prayer for all peoples.
Isaiah 56:7

How Can I Help?

This chart shows what it would mean to increase your weekly giving by a certain percentage. Find your current level of giving on the left side of the graph. Then read across to see how much you would be giving each week if you increased by each percentage.

Now Ask Yourself:

Can I step up by 10%?

Could I go up by 20%?
